PETITION UNDER 37 CFR 1.181(a)

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

ATTENTION: OFFICE OF PETITIONS

Sir:

Applicants respectfully request that the holding of abandonment set forth in the Notice of Abandonment mailed 12/05/2005 be withdrawn.

Applicants' attorneys have discovered in the Patent Office website that a Notice of Allowance was mailed on 07/01/2005, but that document was not received by Applicants' attorneys.

The due date for the payment of the issue and publication fees was 10/03/2005, but because the Notice of Allowance was never received, the due date was not docketed.

The undersigned attorney has searched the file jacket of this application and hereby attests to the fact that the Notice of Allowance was not received.

Attached hereto is a copy of the docket record where the non-received Notice of Allowance would have been entered had it been received and docketed. This docket record shows all replies docketed for the due date (10/03/2005) for the payment of the issue and publication fees herein. Information not essential to the present matter has been deleted. It is apparent that there is no docket entry for the payment of the issue and publication fees in the present application.

It is respectfully requested that the holding of abandonment be withdrawn and that a new notice of allowance be mailed to Applicants' attorneys setting a new due date for the payment of the issue and publication fees.

The Commissioner is hereby authorized to charge to Deposit Account No. 50-1165 any fees that may be required by this paper and to credit any overpayment to that Account.

Respectfully submitted,

NHS:dmt
